New York Trip 2010

We had an awesome trip last summer. The students learned a lot about dance, choreography, music, New York, and most importantly life lessons through self responsibility. Yes we will be going back to New York again this summer for another intense 18 day trip. The cost usually runs around \$2400.00 and includes everything except souvenirs. We take 3 classes every day so the training is really intense. This trip is only available for committed students 4th grade and up. This is a wonderful opportunity. Last chance, get on board now.
